

Small Acts of Grace: You Can Make a Difference in Everyday, Ordinary Ways

Among the many wondrous ways of a woman is the inborn desire to make a difference in the world. For as long as she can remember there has been a deep longing to nurture, comfort, help, teach, and bless those around her. A woman's dreams can be as magnificent as training a child, as lofty as launching a corporation, as gentle as wrapping her arms around someone in need, or as innovative as a little girl opening a lemonade stand to raise money for charity. In *Treasures for Women Who Make a Difference*, best-selling author Alice Gray helps women celebrate the joy in touching someone else's life with help and hope. At the same time it is a guide for those still looking for their path of purpose.
