

# Beyond the Dream Horse: A Revealing Perspective on Attaining a True Relationship

Beyond the Dream Horse describes how turning around many standard beliefs about horses and training can allow an honest relationship to flourish. True experience providing a different perspective and insight that help remove the self-created wall that often separates people from horses. This is not about herd behaviour, rather it is about the astounding possibilities that exist between horses and humans. It is about achieving the elusive relationship of which is often only dreamed.
