

## Chance Is The Providence Of Adventurers

For author M. Scotty Lamkin, a conventional lifestyle at a traditional job was a horribly mundane way to approach life. On January 16, 1979, he arrived in Alaska with fifty dollars in his pocket, two duffel bags, and a backpack. A long way from his Kentucky homeland, Lamkin journeyed to Alaska expecting adventure, and he was not disappointed. *Chance Is the Providence of Adventurers* narrates many of Lamkin's true-life escapades in Alaska's remote bush country. In this half-travelogue, half-memoir, Lamkin tells the sometimes funny, sometimes deadly, stories of his experiences as a professional guide and adventurer—waking up a brown bear at close range, sinking a boat in frigid Alaska waters, crashing bush planes, throwing rocks at bears, and experiencing some of the most beautiful landscapes on Earth. *Chance Is the Providence of Adventurers* offers a glimpse into the flavor of Alaskan life, provides a firsthand view of the wonders of untamed nature and wildlife, and demonstrates the results of taking a chance to change your life.
