

Christmastime is Cookie Time (Top This!)

Even little kids can help make these Christmas cookies! Following the same format as PSSs wildly successful Trim the Tree for Christmas, this big, chunky book gives kids the opportunity to select their favorite frosted, sugary cookies and fit them into the appropriate slots on each of the five empty baking sheets throughout the story. Whether its powdered sugar snowflakes, rainbow-colored angels, glittery stars and bells, or an entire cookie family, with over thirty delicious-looking ornaments to choose from, everyone will have a favorite. Mouthwatering illustrations by Ronnie Rooney and a lip-smacking rhyming text by William Boniface make this a book that kids are sure to love playing with as much as they enjoy eating the real thing!
