

Joys Of The Lord: Daily Meditations based on the writings of St. John

JOYS OF THE LORD is a sequel to Time Out With God, or any book on meditation, such as The Practice of the Presence by Brother Lawrence. (1692) We need grist for our moments on the mountain, and who is better able to provide that than the Apostle John. No one understood better than John the joy which Jesus planted in His disciples hearts. These short daily meditations are drawn from his Gospel, Epistles, and the Book of Revelation. Let the one whom Jesus loved be our source of joy that is our strength.
