

A Field Guide to the Birds of Britain and Ireland by Habitat (Wildlife Trusts Guide)

Stunningly illustrated and simple to use, this brand new, up-to-date, practical and informative guide is a must for any birdwatchers pocket. Whether observing what is feeding, nesting or bathing in your garden, or further afield, or trying to identify a bird on the wing, this book is perfect for use at home, out in the car or in the field. Arranged by habitat for ease of use, it is ideal for both the beginner and the more experienced birdwatcher. With comprehensive and informative, jargon-free text, written by birdwatching expert Mark Golley, this book is packed with identification tips, details of habitat and calls for over 280 bird species - all those seen regularly around Britain and Ireland as well as some of the less common migrants. It is illustrated throughout with over 1000 spectacular, full-colour illustrations by Dave Daly, one of Irelands leading bird artists.
