

# Flowers When You Want Them : A Growers Guide to Out-of-Season Bloom

FLOWERS WHEN YOU WANT THEM completely addresses the forcing of plants into bloom. Now there is no season that cant be colorful with flowers! Methods include bring branches indoors during the winter, to having pots of bulbs in bloom for early spring, to starting blooming plants from seed any time of the year. Each page is packed with useful information on tools to use, forcing techniques, time schedules for forcing and the best plants to use.
