

TREASURE MAP TO HEAVEN

In Treasure Map to Heaven Bob Walsh provides a priceless road map, a treasure map, that leads to Heaven based upon Gods specific directions as recorded in the Bible.

In drawing this treasure map, the Bible, God addresses the possible destinations heaven, purgatory or hell. Gods treasure map describes the breath-taking beauty that awaits us in Paradise, and for some of us, the mercy of purgatory. But God also warns us of the unspeakable agony in hell that awaits those who chose the wrong roads in life. Along our journey through physical life, the devil and it evil horde does everything it can to distract us, and to lead us astray from the right path that leads to God in Paradise. The good news is that Gods treasure map describes the many pitfalls, wrong turns, and dead ends, and directs us on the path to take, the road that leads to Heaven. This concise collection of Gods directions is an indispensable guide for all of us in life. It reminds us, in part, that we are all going to die, and then, as surely as night follows day, we will find ourselves standing before almighty God to be judged according to how we lived our lives on earth. At that time, it is too late for us to change our ways, to make amends. Accordingly, we will either be sent to heaven to enjoy eternal peace and happiness, or we will be sent to purgatory to receive needed purification. Or we may be sent to hell where we will be tortured by demons and suffer unspeakable pain and suffering forever. Remember as you travel along lifes road what Jesus says in Matthew 25:46, And these will go away into eternal punishment, but the righteous into eternal life. So choose your guides carefully, and make sure you follow Gods treasure map to stay on the right path that leads to God in heaven.
