

## Read All About It!

Tyrone rules the school! He's king of the monkey bars, a math machine, and a science whiz. The only thing he doesn't like about school is reading. Books are so boring! But when strange visitors start dropping by the classroom for story hour, Tyrone discovers there's more to books than just words on pages. Tyrone and his friends are swept up in a mysterious adventure that lands them in a most unexpected place. Mrs. Laura Bush and her daughter Jenna create a classroom adventure that will leave readers racing to the shelves! A portion of proceeds to benefit Teach for America and The New Teacher Project.
