

SELF-CONTROL: 30 Days: Strengthen Your Faith Willpower and Strength

You cant battle the enemy effectively, if you are not armed with the right spiritual equipment. SELF-CONTROL, is a short book filled with 30 days of Bible verses, which are geared to help strengthen your faith. This book is about learning how to have self-control in your daily life. It doesnt matter if you need help with spending money, saving money, shopping, smoking, eating, anger, gossiping, drugs, sex exploitations, lying, cheating, stealing this list can go on and on. The point is everyone could use some type of discipline and help in the self-control department. Let these Biblical verses help move you into getting stronger in the area you need help in. as you go through the next thirty days as God to give you strength, to teach and guide you into being a person who can control their weaknesses. He can take you from being weak to growing stronger each day. You cant battle the enemy effectively, if you are not armed with the right spiritual equipment. How do you go from no faith, to a little faith, to tremendous mountain moving faith? You do it one day at a time. Just as you have learned anything in your life. You had to learn it one bite, one piece, one letter, one number, one step, one recipe at a time. That is also how you must increase your faith. You must learn to fully trust in His power. Once you fully trust in Him, believing will come naturally. Train your mind and the rest will follow. One day at a time is all you need to start. God will do the rest. Trust and believe. He is the same today, as He was yesterday. Build up your faith with Gods Words.
