

12 Steps Revealed: Questions. 29 Most Commonly Asked Questions About All Types of Addiction

12 Steps Revealed: Questions. The 29 Most Commonly Asked Questions About All Types of Addiction is a book that was transcribed from 4 live and unscripted radio shows where Indian Bob and Scott Vogel asked each other the 29 most commonly asked questions about recovery from all types of addiction. 12 Steps Revealed Questions, is the first in a series of books designed to take the reader step by step through the process of understanding, working and living the 12 steps of recovery one step at a time. When we realized people had so many questions about the disease of addiction. We found there were many books written on each separate addiction, alcoholism, alcohol addiction, drug addiction, sex addiction, sex and love addiction, food addiction, gambling and more... There is a plethora of information about each of the specific addictions. We found there was not a body of information that shared the commonalities as well as the differences of alcoholism, drug addiction, sex addiction, sex and love addiction, food addiction gambling and more. each addiction. Nor was there a book or series that shared how the disease of addiction affects the addict, the families, society, peoples lives and relationships as a whole. We realized over time there was information that needed to be shared with those seeking help from the disease of addiction. The beginning of the 12 Steps Revealed series had to start with the questions people asked about all types of addiction. We set out to list the questions people ask about all types of addiction. The questions are asked by the addicts themselves, their loved ones, families, friends, colleagues, professionals, clergy and any other person dealing with or affected by or curious about the disease of addiction. These questions apply to every type of addiction; alcohol, drug, sex, gambling, food or any other type of addiction. As the series progresses we will

delve into How 12 step recovery works, An introduction to the 12 steps, 7 Paths to Success in Recovery from Addiction, The four traumas of addiction The four faulty beliefs set up by the traumas of addiction and the main book discussing in detail the 12 steps of recovery from all types of addiction. Recovery is scary enough. The unknown is even more terrifying. But once one can see the path clearly, following it isnt so difficult. The 12 steps revealed series is an open, honest look at the disease of alcoholism, drug addiction, sex addiction, sex and love addiction, food addiction, gambling addiction and other addictions. Its also two men sharing their experience, strength and hope of working the 12 steps program of recovery from addiction and how they continually work a spiritual program as they continue to grow in their recovery from their addictions.
