

The Flying Diggers

Transforming diggers, a rescue adventure and the power of imagination - a surefire hit with boys, created by the bestselling Ian Whybrow and David Melling. When Teddys grandpa makes Teddy and his best friend Ruby some toy diggers they dont realise how special they are . . . until they start to play with them and the diggers transform into magic flying diggers and swoop the children off for a fantastic jungle adventure. The author of Harry and the Bucketful of Dinosaurs and the illustrator of The Kiss That Missed join forces once again to bring you a dynamic and engaging book for boys.
